Subject: US v NCR - Proposed Exhibit Meeting

Hi all,

Caleb, Vanessa, and I discussed have an exhibit meeting tomorrow afternoon at 4:00 at Quarles and Brady to develop a game plan to deal with the exhibit objections. By that time, we should have a consolidated list of both sides objections and we can try to identify ways to handle categories of documents (or identify categories).

Does that work for people (Including Plaintiffs people who I didn't consult with on timing)?

Thanks
Kristin
